### SAT Classes and SAT Practice Tests prepare you for success!

SAT preparation begins with an interest in overcoming those obstacles which may prevent you from doing your best on the day of the SAT exam. There are strategies to win at Tic-Tac-Toe, strategies to win at tennis, and strategies to win the S.A.T. We teach SAT test-taking tactics using real SAT tests that build your confidence as you approach the SAT test. We show you both where to focus your attention and what to ignore as you prepare for the SAT test. We help hone your skills with SAT classroom instruction designed by high-level teachers whose only goal is to raise your SAT scores. Our review covers all aspects of the SAT Verbal, SAT Writing, and SAT Math tests so that you can Beat the SAT!
